

First you go to the bucket and change the background to blue. Then you go to shapes with the color green and use three circles to make a snowman shape. Then you make a purple button mouth and purple buttons that go down his middle circle and bottom circle. Shape size 10-15.

Then you give him an orange triangle nose in size 11. After you do that make a yellow scarf. When that is finished you give him red stick arms in size 12 and when it looks like you're done you go to stamps and hit the snowflake button a lot in size 9-13.
